

NSW ESTUARY MANAGEMENT

Future Directions Forum

Merimbula 6th November

An opportunity for Councils, researchers and industry professionals to hear from and directly interact with key Senior representatives from the NSW Coastal Council, Marine Estate Management Authority, OEH Science and Operational branches.

The forum will focus on the issues, barriers, knowledge gaps and lessons learnt from a Council perspective and seek to produce a definitive set of recommendations for the future of estuary management in NSW.

Where are we now – the current state of estuary management, research and policy

Where are the gaps & barriers – policy, research, knowledge & funding

What can we improve – policy, implementation & engagement

Future directions – research, partnerships, funding, policy & collaboration
